

Inspection Stations:

The listed Inspection Stations check child safety seats by appointment only. Locations differ in frequency (ie. Some run monthly, some fill up weeks in advance); please plan accordingly. To make sure your child is safe in the seat, it is best to bring your child. Please be prepared to learn to install the seat yourself during your 30 minute appointment!

Car seat inspections are free. However, our program depends on grants and donations. All donations fund materials. Your donation is tax-deductible and is appreciated very much.

Visit our website at www.safekidsgreaterhouston.org or www.texaschildrenshospital.org/InjuryPrevention for other locations and checkup events.
